THE ENGLISH JOURNAL, 506 West Sixty-ninth Street, Chicago

THE DRAMA

A monthly magazine particularly suited to the needs of those interested in educational uses of good drama

FOR THE SCHOOL

The Drama is the one magazine devoted to the theatre and the play which gives a large portion of its space to the discussion of high and elementary school problems. During the past year it has published over thirty one-act plays. It is now running a series of exquisite plays, with illustrations, for young children. The magazine has a regular illustrated section, devoted to the best work in school production. In this connection it supplies pageants, masques, and all forms of dramatic celebration.

FOR THE TEACHER

The Drama contains most effective one-act plays for reading, regular reviews of the New York and Chicago productions of significance, news of the London, Paris, German, and Russian theatres, trenchant discussion of the trend of the theatre in America. Yearly subscription to *The Drama* entitles the subscriber to a full membership in the Drama League of America and to the many benefits which may be derived from this association.

The Drama has a special department for advising teachers in the selection, staging, and costuming of plays

“I’d like to

try the project method, but I can’t get started. The text we use is not built upon this plan, and—and—I wish some one would show me how!”—MANY A TEACHER.

What is needed is *a text that will help*

by launching projects and giving directions for the social management of their execution. Hatfield’s BUSINESS ENGLISH PROJECTS does just that. The projects, though they have a commercial flavor, are so human as to suit the needs and interests of any live pupils.

We shall be glad to supply a copy for your examination.

Effective Expression

solves the problem of

Oral English

With this book no further text on oral English will be needed.

Effective Expression is more than a rhetoric; it is an interpretation of all forms of oral and written self-expression. It gives a new incentive to the pupil which makes him look upon the subject as a direct challenge to all his powers of brain and heart. It works!

Study Methods, Too!

❏ Even in ante-bellum days no one with a conscience professed to teach a subject he did not know. Teachers are coming to realize that no one should attempt to teach a subject without knowing how to do it.

❏ Moreover, we have proved that home study is economical of time and money, yet effective.

Anderson's Translation of **Dante's Divine Comedy**

By **MELVILLE BEST ANDERSON**

Professor Emeritus of English Literature, Leland Stanford Junior University

A new, line-for-line version in the rime form of the original.

This clear, natural, and vivid rendering retains in unique degree the simplicity and directness of Dante's style.

It is not only faithful to the spirit and form of the original but achieves great poetic beauty with the use of simple Anglo-Saxon words.

With introduction, marginal notes, and illustrations.

What part does the Victrola play in your school ?

You will find this booklet a gold mine of helpful material

The 280 pages of this fascinating catalog, beautifully illustrated, lists over 1000 Victor Records, with descriptive notes, classified by subjects and use in various grades.

The Victrola has become an indispensable servant of education, serving in the great province of Music, as well as in Literature, History, Geography, Physical Education, Penmanship, Typewriting, Americanization, etc.

No school is too remote for the Victrola to bring the world's culture to its doors. Can *your* school afford to be without a Victrola, serving daily in so many subjects?

This Booklet is Free

It is not a mere listing of records. It is a *practical teaching* handbook, used as a text in many classrooms. Ask any dealer in Victor products for a copy, or we shall be glad to send you one upon request.
